

Oceanpower

Small Size, Huge Performance

Model: Sunny A18

Quick Cooling

Safety Protection

Standby Mode

Quiet

ADVANTAGES & BENEFITS

MINI SOFT SERVE FREEZER SUNNY A18

Microprocessor Regulation

Regulates the entire refrigeration process and maintains consistent product viscosity, adjustable through modifying viscosity between level 1 and level 8 on the front panel.

Imported Compressor

Imported Danfoss compressor, Safe and save energy, eco-friendly High efficiency for freezing, Quiet operation

Integrated Design

Compact design with integrated geared motor, The concept makes this model more compact, thus maximizing savings in customer stores Surface space

Mix Low Alarm

The low liquid alarm light will be on when the hopper is lack of ice cream mix.

TECHNICAL DATA

Model	Sunny A18
Stand	Tabletop(Mini)
Flavors	Single
Capacity	18L/H
Mix Hopper	6.5L
Cylinder	2L
Power	1000W
Main Compressor	0.75HP
Cooling System	Air Cooled
Refrigerant	R404A
Voltage	220V 50Hz/60Hz
Net / Total Weight	107 / 139kg
Options	Air Pump
Dimension	347*700*810mm

Manufactured by:

Shenzhen Oceanpower Eco Food Tech Co., Ltd.
